

EMILIA ROIG

KEYNOTES

Dr Emilia Roig is a bestselling author and leading expert on Intersectionality, Diversity, Equity and Inclusion. She has been shifting the discourse on systemic inequalities in Europe through her groundbreaking and radical perspectives, which earned her the title of "Most Influential Woman of the Year" by the Impact of Diversity Award in 2022. She has been appointed Ashoka Fellow in 2021 for her outstanding achievements as a changemaker in the field of social justice. In 2024 she joined the Käthe Hamburger Research Center on Apocalyptic and Post-apocalyptic Studies at the University of Heidelberg.

Emilia Roig's keynotes have been inspiring people to divest from systems of oppression and to shift individual and collective consciousness towards a new paradigm based on care, compassion and justice.

**Keynotes can be held in German, English and French,
in person and online.**

OVERVIEW

Emilia Roig offers keynotes to institutions seeking to foster change and progress on social, racial, gender and climate Justice. Her keynotes combine expertise, pragmatism and inspiration, concrete examples and the necessary level of abstraction on a wide range of topics pertaining to social justice, paradigmatic shifts and utopian futures. Emilia Roig's keynotes are anchored in hope but do not shy away from uncomfortable questions. She always animates the listeners to pursue change at their own level and within their capacities.

KEYNOTE FEE & REFERENCES

The topic, thematic focus and length of the keynote can be tailored to organizational needs. Quotations for keynotes vary depending on organizational size, number of participants and duration. Smaller budgets can be accommodated in exceptional cases.
